Member Engagement Survey

USJE is working on increasing the engagement of our members through a Member Engagement Strategy. To do so, we need to hear from you - our Members - so that we can identify your needs and do our best to address them.

To thank you for your time, we will be holding draws, one for each region, for some great gifts.

USJE letter to RCMP Commissioner regarding ICHR investigators

"While we absolutely understand the urgency and gravity of the situation, USJE's fundamental concern is that the use of internal investigators will undermine the early confidence in the ICHR, and ultimately discourage some of the most aggrieved and vulnerable RCMP employees from coming forward."
