Parents/guardians are responsible for transportation to and from the summit.

“ Fun doesn't begin to describe my four years spent at the BDYSC! Getting to meet amazing people who I built life-long bonds with. Having the most amazing and supportive counselors who have prepared me for a life full of success. Camp filled with cherished memories and endless support. Going on super-fun outings and having time to build amazing friendships is nothing short of the best week ever!!

— Adam Mallais, Past President of Camp Executive
